Book Information Sheet & Resource Sheet

Tom and the Bee-Good Lesson

A sprintime tale of bravery, bare feet & why rules are important.

A warm, engaging children's story that uses Tom's experience to help young readers explore kindness, choices, behaviour and the difference our actions can make to others and ourselves.

Perfect for Foundation Phase classrooms, school libraries, story time, values-based learning and classroom discussion.

Through Tom's adventure, young readers are encouraged to think about how they treat others, the choices they make and how even small acts of kindness can have an impact. The story opens the door for meaningful conversations without turning the lesson into a lecture.

Learning & Discussion Themes

Kindness and consideration
Making positive choices
Actions and consequences
Empathy and respect
Personal responsibility

Bonus: Interactive activity pages help reinforce the story's message beyond the reading experience.

Marketing Summary

Target Audience:	Perfect for ages 3 - 9. Ideal for bedtime reading, classroom story time, or as a meaningful gift.
Unique Selling Point:	A story-led approach to positive behaviour that allows children to discover the lesson alongside Tom, encouraging discussion, reflection and practical application beyond the story.
Media / Community:	Facebook / Instagram / Website / Amazon / Makro / Take-A-Lot

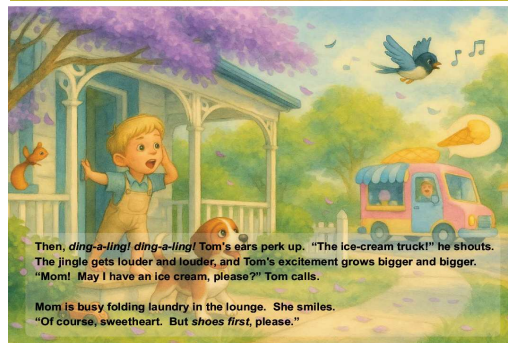

It's a beautiful, sunny spring day. Not too hot, not too cold. The birds are singing, the bees are buzzing, and butterflies dance in the breeze.

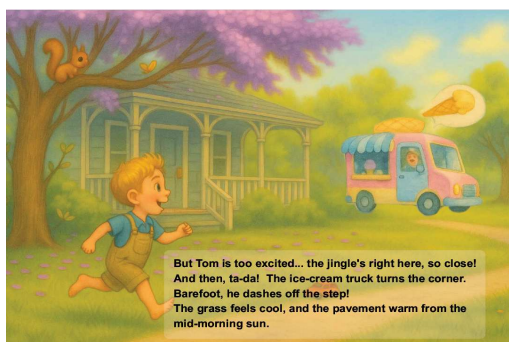

Tom is standing on the door step, watching petals fall from the big jacaranda tree.

They flutter down like purple snow, forming a thick, soft carpet.

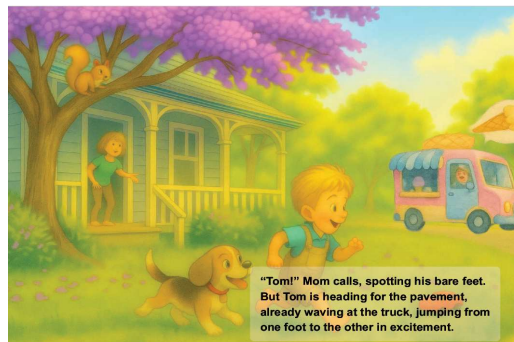

Then, *ding-a-ling! ding-a-ling!* Tom's ears perk up. "The ice-cream truck!" he shouts. The jingle gets louder and louder, and Tom's excitement grows bigger and bigger. "Mom! May I have an ice cream, please?" Tom calls.

Mom is busy folding laundry in the lounge. She smiles. "Of course, sweetheart. But shoes *first*, please."

But Tom is too excited... the jingle's right here, so close! And then, ta-da! The ice-cream truck turns the corner. Barefoot, he dashes off the step! The grass feels cool, and the pavement warm from the mid-morning sun.

"Tom!" Mom calls, spotting his bare feet. But Tom is heading for the pavement, already waving at the truck, jumping from one foot to the other in excitement.
